Good morning Cheryl. Sorry, I was off Friday and out yesterday. I have two pressing things I need to do this morning, but will send you an updated version of the NON/Letter with the questions you suggested by the end of the day today. I'll try to get the two letters for the other facilities as well. We can discuss after you review? Maybe tomorrow morning sometime?

Scott, are you in today? I would like to get the NON questions going because I have limited time to work on this. I sent you some ideas on possible questions yesterday. Do you have any thoughts as to what I sent? Thanks, Cheryl
